

SAUDI FELLOWSHIP TRAINING PROGRAM

UROGYNECOLOGY AND PELVIC RECONSTRUCTIVE SURGERY

Final Written Examination

Examination Format:

The Saudi subspecialty fellowship and diplomas final written examination shall consist of one paper with 80-120 multiple-choice questions (single best answer out of four options). 10% unscored items can be added for pretesting purposes.

Passing Score:

The passing score is 70%. If the percentage of candidates passing the examination before final approval is less than 70%, the passing score must be lowered by one mark at a time aiming at achieving 70% passing rate or 65% passing score whichever comes first. Under no circumstances can the passing score be reduced below 65%.

Blueprint Outlines:

No.	Sections	Percentage
1	Anatomy	5 %
2	Surgical Procedure	30 %
3	Voiding Dysfunction	15 %
4	Pelvic Organ Prolapse	30 %
5	Investigations	5 %
6	Surgical Treatment of Voiding Dysfunction	15 %
Total		100%

Note:

- Blueprint distributions of the examination may differ up to +/-5% in each category.
- Percentages and content are subject to change at any time. See the SCFHS website for the most up-to-date information.
- Research, Ethics, Professionalism and Patient Safety are incorporated within various domains.
