

SAUDI FELLOWSHIP TRAINING PROGRAM

MATERNAL AND FETAL MEDICINE

Final Examination

Exam Format:

The Saudi subspecialty fellowship written final exam shall consist of one paper with 80-120 multiple-choice questions (single best answer out of four options). Up to 10% unscored items can be added for pretesting purposes.

Passing Score:

The passing score is 70%. However, if the percentage of candidates passing the examination before final approval is less than 70%, the passing score must be lowered by one mark at a time aiming at achieving 70% passing rate or 65% passing score whichever comes first. Under no circumstances can the passing score be reduced below 65%.
